Homeland Security Conference 2024

On behalf of the AFCEA Atlanta Chapter, we are excited to invite you to the Homeland Security Cybersecurity and Infrastructure Conference, scheduled for November 6th and 7th, 2024 at the Atlanta Convention Center. This unique event is set to convene a diverse mix of professionals from government, military, academia, and industry, all dedicated to fortifying national security and infrastructure resilience.

This year's event will explore critical Homeland Security topics, including Cybersecurity, National Security, and Defense, with a special focus on the requirements and opportunities for industry partnerships with government agencies across Georgia and the surrounding regions. Key agencies involved include the Departments of Commerce, Defense, Energy, Justice, and many more, alongside pivotal organizations like DHS and CISA.

Prepare to engage in comprehensive discussions and collaborative efforts that aim to enhance our security framework and develop robust solutions against contemporary threats. The conference is not only a platform for learning and sharing but also a central meeting place for establishing vital connections and exploring new business avenues in the realm of government and military engagements.
