Securing Academic Facilities in Every Community Conference

FLORIDA

## Request to attend the Securing Academic Facilities in Every Community Conference (SafeCon) 2019

Dear

As an active member of the community I am dedicated to remaining current on the latest information, policies, threats and best practices; I request your support for my attendance at the Securing Academic Facilities in Every Community Conference (SafeCon) 2019 on November 19-20, 2019 in Orlando, FL. This two-day event offers attendees training, best practices, real-life lessons learned and a forum to discuss latest topics and tools in securing academic facilities. This conference will feature a variety of presentations and educational opportunities covering a number of critical information issues and emerging concepts.

If I receive your approval to attend, I'll receive:

- **A variety of educational sessions to choose from:** This year's program will include sessions on Lessons from Parkland High School, Security assessments, Emergency Response Plans, Evaluating student threats, and much more.
- **Access to key vendors:** I'll have the opportunity to network and meet leading technology and security organizations.
- **Opportunities for networking:** Through the conference, I'll have a chance to represent our organization's mission and further develop relationships and contacts. Furthermore, this event offers an opportunity to interact with community members throughout multiple sessions.
- **Continuing professional Education (CPE) Credits:** I will have the opportunity to earn CPE credits for attending the conference.

The approximate costs for my attendance:

Flight:	
Transportation:	
Hotel (\$239.00 per night):	
Conference Pass (includes AM and PM breaks for two days as well as lunch for two days during the conference):	\$500.00

This event offers discounted hotel rooms and includes lunch for both days in my conference pass. My goal is to return with knowledge and tools that can serve us for years to come. I will submit a list of the key items I learned and subsequent action plan when I return from the SafeCon 2019. I will also provide a review of the event to assist in your decision on any future attendance by colleagues.

Thank you for your consideration. Do not hesitate to contact me if you need more information or would like to discuss this opportunity further. I look forward to your reply.

Sincerely,

9800 Patuxent Woods Drive, Suite H  
Columbia, MD 21046

(301) 206-2940
