

CYBER USA

The logo features the text "CYBER USA" in a bold, sans-serif font. "CYBER" is in dark blue, and "USA" is in a metallic silver with a 3D effect. A stylized American flag graphic, composed of horizontal brushstrokes in blue, white, and red with white stars, arches over the text. A blue orbital ring with a red sphere at its center is positioned behind the text, partially overlapping the flag graphic.
