# NOAA IT SECURITY & PRIVACY CONFERENCE

## Cyber Security Innovations LLC

Alusine Conteh  
8201 Corporate Drive, Suite 710  
Hyattsville, MD 20785  
(202) 450-9454  
aconteh@csinnovations.net

### Cyber Security Innovations' Website

*Cyber Security Innovations (CSI) delivers expert cybersecurity services to Federal agencies, specializing in Information System Security Officers, High Value Assets, Information Security Continuous Monitoring, Security Control Assessments, Vulnerability Management, Ongoing Authorization, Penetration Testing, and Zero Trust implementation.*

### Virtual Exhibitor

## Datadog

Nick McCabe  
620 8<sup>th</sup> Avenue, Floor 45  
New York, NY 10018  
(917) 512-6452  
nick.mccabe@datadoghq.com

### Datadog's Website

*As agencies seek to modernize their services, they face the challenge of safely replacing legacy systems that no longer meet their needs, and learning to manage new, highly distributed infrastructure at scale. Datadog helps public sector organizations monitor every step of the digital transformation process so they can deliver a better experience for the communities they serve. By unifying data from legacy and cloud-based systems in a single pane of glass, Datadog enables government agencies to successfully migrate to the cloud, troubleshoot performance issues, and improve the speed and reliability of their services at scale-while remaining in compliance.*
