WE'RE YOUR ANSWER!

FBC is a professional organization providing meeting and conference support for the DoD, Intelligence Community, and Federal Civilian Agencies since 1976.

The Federal Business Council (FBC) has established a proven track record of excellence in coordinating military events. We are experienced in every level of program advisement and specialize in the unique needs that our military partners encounter. Work with FBC on your next event through GSA Schedule 47QRAA20D0014 and use the "No Cost Option" available to all DoD, Civilian, and Intelligence Agencies. Whether you are coordinating training for your company or leading a base wide specialty event, FBC can support your program with web design/ hosting, attendee registration, name badges and staff that will ensure that your event is a success.

National Initiative for Cybersecurity Careers and Studies (NICCS)'s Website

Our nation is under relentless attack from an increasing number of hackers, criminal organizations, and rogue governments. Cyber is their weapon of choice. The need for trained cybersecurity professionals to protect our national and economic security has never been greater. The National Initiative for Cybersecurity Careers and Studies (NICCS) mission is to be a national hub for cybersecurity training, education, and careers. Our website provides you with the knowledge, skills, and resources you need to play a critical role in meeting the cybersecurity challenges of today and tomorrow.
